this book examines lawyers contributions to creating and maintaining the rule of law one of the pillars of a liberal democracy it moves from the european enlightenment to the modern day exploring the role of judges government lawyers and private practitioners in creating defining and being defined by the demands of modern society the book is divided into 4 parts representing the big themes the first part considers lawyers contribution to the growth of constitutionalism the second the formulation of roles and identities and the third the formation of values the fourth part focuses on the challenges faced by lawyers and the rule of law in the past 50 years the neoliberal period and how they challenge both conceptions of lawyers and the rule of law each part is illustrated by defining events from the execution of charles i through the nuremberg trials to the insurrection by supporters of donald trump in january 2021 although the focus is on england and wales parallel developments in other jurisdictions australia canada new zealand and the usa are considered this allows analysis of lawyers historical and contemporary engagement with the rule of law in jurisdictional systems based on the common law each chapter is thematic but the passage through the book is broadly chronological

following significant changes in the legal profession since the 1980s how do new organizational forms and actors at the edge of the law impact upon our understanding of the changing nature of the core values of mainstream legal professionalism this methodological approach brings together a series of case studies built on original empirical research and focuses on those operating at the margins of legal professionalism in england and wales

also including comparative material on the us and canada the issues discussed are relevant for common law countries more generally and the analysis reveals the ways in which an increasingly fluid fragmented and heterogeneous legal profession is responding to the challenges it faces in the early twenty first century

by comprehensively investigating the fair and equitable treatment standard fet this discerning book presents how this standard in investment treaty disputes can be both legally justified and realistically beneficial it reflects on how fet jurisprudence can be advantageous to both the rule of law and to the legitimacy of the international investment regime

written by a leading figure in this field this book looks at cambodian conflict of laws through a combination of common and civil law analytical techniques and perspectives
